

DANIELA CONTE
FOUNDATION

2023 IMPACT REPORT

OUR MISSION

To provide financial support to families of children with cancer, raise awareness, and fund research.

Platinum
Transparency
2023

Candid.

The Daniela Conte Foundation is proud to have been recognized with a 2023 Platinum level profile by Guidestar, the world's largest source of information on nonprofit organizations. Platinum represents Guidestar's highest level of recognition and demonstrates DCF's commitment to transparent accountability to our supporters.

The Daniela Conte Foundation was honored with a 2023 Top-Rated Award from Great Nonprofits.

DCF HERO

VINCENT

A childhood cancer diagnosis affects the entire family. Everyone is forced to make life adjustments that cause both emotional and financial strain. Your support is what allows us to support families like Vincent's as they face that strain. Thanks to you, the family received support for several monthly utility bills.

"With my son's recent diagnosis of B-Lymphoblastic Lymphoma, he had been in and out of the hospital nearly every week for the month of January. The continuation of his treatment has required biweekly clinic visits and scheduled and unanticipated hospitalizations. As a result, I needed to use continuous FMLA to take him to appointments and provide him with hospital and at-home care. Unfortunately, the FMLA leave from my job has been unpaid.

The Daniela Conte Foundation has provided my family with the ability to pay a few of our monthly utility bills during this period where my spouse and I have needed to take necessary (unpaid) days off to be present for hospitalizations and appointments. We are eternally grateful for this foundation in providing financial support for our family during this unforeseen hardship. Thank you again for your support during this difficult period."

- Sam & Tami, Vincent's Parents

FOUNDATION

2023 IMPACT

80 Daniela's Butterfly Boxes™ were distributed to children in active treatment.

160 families were served through our In-Treatment Support Program.

20 families were served through our Memorial Support Program.

100% of respondents said the In-Treatment Support reduced stress for their family.

100%

of eligible In-Treatment and Memorial Support requests were fulfilled for families in need.

\$90K

in direct financial and memorial support was given to families in need. **(20% increase from 2022!)**

180

total families received financial or memorial support because of you.

OUR PROGRAMS

Daniela's Butterfly Boxes™

Special care packages delivered to hospitals or families' homes for children in active treatment.

In-Treatment Support

Financial assistance that help with rent or mortgage, car payments, medical co-pays, utilities, gas, groceries, etc.

Memorial Support

Provide financial assistance towards funeral costs for a child whose battle with cancer has ended.

"Receiving this assistance helped give us hope that we have a support system, we have people there to help, we have angels looking over us, and that we can afford one more day to not worry about the trivial things in life and can put our focus into our little girl getting the help and care she needs while having us by her side every step of the way."

- Jennifer, parent to DCF hero, Octavia.

Thank you for your continued support in 2023!
